

The Perfect Place to Find Your
Sea of
Tranquility

by Jan Ross, Social Media Director, The Travel Authority

Everything you do can be done better from a place of relaxation.

Step into the marble-floored lobby of Zoetry Paraiso de la Bonita in Riviera Maya, Mexico. The Mexican-themed, adobe colored walls are open to the salt-scented breeze off the turquoise ocean. The burbling sound of a fountain murmurs gently and, surrounded

by beautiful artwork from around the world purchased by the well-traveled owners, you find all your worries begin to drift away.

And so they should. Because you have nothing to worry about once you have booked your trip with Classic Vacations through The Travel Authority and arrive at this fabulous, all-inclusive, luxury resort. Classic Vacations specializes in luxury travel and, believe me, if you think you have experienced luxury before, you are going to find a whole new level of luxury at the resorts Classic Vacations and The Travel Authority will find for you.

I visited Zoetry for a few days last June and left reluctantly, trying hard to figure out a way to stay a day more. Or maybe a few days. Or possibly for the rest of my life.

Zoetry is perched right on the gorgeous beaches of Riviera Maya, surrounded by lush tropical jungle, brightly colored, huge flowers, Native wildlife like iguanas, peacocks and parrots stroll through and make themselves at home on the grounds.

This wonderful resort has consistently been named one of Mexico's most exceptional boutique resorts and is a convenient 20-minute drive from

the Cancun airport. With 90 luxury suites, they can offer a different kind of vacation experience, one that is focused on relaxation, wellness, serenity and romance.

I was traveling with a group of travel professionals and had no idea what sort of suite I was to be given. As we toured the lovely grounds, our friendly tour guide mentioned that some of the suites had a PRIVATE PLUNGE POOL. At that moment, I wanted one of those suites with a private plunge pool with all my heart. Can you possibly imagine anything more luxurious, more fabulous than your own private plunge pool? So, as we were each shown to our suites, I kept my fingers crossed until I stepped into my beautiful, two-room suite and saw, through the sliding glass doors, my very own, private plunge pool.

Could life POSSIBLY get any better?

Oh, yes. Yes, it could.

Because then I found out about Zoetry's *Endless Privileges* concept. Many resorts offer an all-inclusive option which includes their restaurants, non-motorized water sports and a few other amenities. But Zoetry puts them to shame.

In addition to all the above, The *Endless Privileges* concept includes:

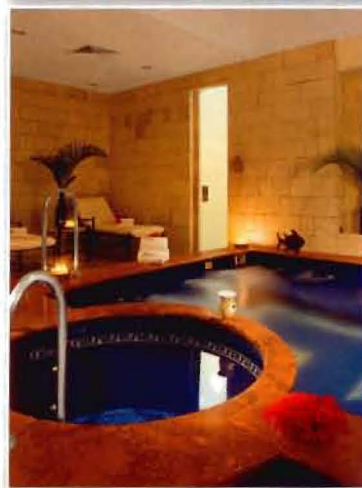

- Private chauffeured airport transfers
- Bottle of champagne and fresh fruit basket daily
- Complimentary unlimited worldwide calls
- Complimentary greens fees at a nearby course
- Daily shopping excursions by boat
- Exclusive Visia complexion skin analysis
- Relaxing 20-minute massage per guest
- Traditional Temazcal steam room ceremony every other day
- Anti-aging medical diagnostic to identify health and skin characteristics and complimentary wellness consultant
- Daily afternoon tea time featuring live plant tea infusions
- Complimentary 24-hour laundry service

My biggest regret about staying at Zoetry is that I did not get to experience every, single amenity they offered at no charge. A free massage? No time. My heart was broken. Free laundry service? I had to go home and do my OWN LAUNDRY. How unjust is that?

However, I did get to enjoy my private plunge pool, the beautiful beach and the quite wonderful food. As a special treat one night, we had dinner as a group at La Canoa, their four diamond restaurant. We ate in an exclusive area beside their huge collection of wines. I had breakfast and lunch several times at El Chiringuito, their casual poolside restaurant which is anything but casual about the food they serve. I recommend you ask for a basket of their chocolate croissants. Then eat one for me so I can live vicariously through your culinary experience.

If you are looking for a relaxing, romantic, quite totally fabulous tropical getaway, I absolutely recommend Zoetry Paraiso de la Bonita. And let me know what you think about those chocolate croissants.
