The Lorenzo — topped with crispy pancetta, Roma tomatoes, basil and mozzarella — is a favorite at Bar Toma.

Best Pizza in Town

CHICAGO PIZZA TOURS
CHICAGO, ILLINOIS

Is deep-dish pizza really the best pizza in Chicago? The best way to sample a lot of pizza is to go to the experts: the guys at Chicago Pizza Tours who offer a guided bus tour to a variety of neighborhood pizzerias. One journey of delights can begin at Pizano's, one of the oldest pizzerias to serve deep-dish. The tour includes several savory stops, like Pequod's where mozzarella under the pizza dough creates a sweet caramelized crust, genuine Neapolitan pizza at Spacca Napoli or Coalfire's coal-burning-oven baked version. — JAN ROSS
